8th Sustainable Phosphorus Summit Africa

Sep 30th - Oct 3rd 2025
Accra, Ghana

REGISTER TODAY

AKWAABA!

AKWAABA!

AKWAABA!

This interactive, interdisciplinary event will spark fresh ideas and collaborative solutions around **sustainable phosphorus futures**, exploring issues including agricultural practices, food security, environmental impacts, recycling technologies and global trade.

A key focus will be on engaging **African perspectives**. By bringing together diverse voices and expertise, we aim to foster cross-regional understanding and **drive meaningful action**.

- ✓ Dynamic panel discussions
- ✓ Hands-on workshops
- ✓ Open dialogue sessions
- ✓ Field trips

Alisa Hotel, 21 Dr. Isert
Road North Ridge
