

## Cross Disciplinary Science Exchange Meeting

Horticultural Science and the Centre for Ecology & Hydrology

Date: 22 March 2017

Location: Centre for Ecology & Hydrology  
Maclean Building, Benson Lane, Crowmarsh Gifford  
Wallingford, Oxfordshire, OX10 8BB

Time: 10:00 – 16:00

Refreshments and lunch will be provided

- Highlighting NERC-funded science that may have future commercial or scientific interest to the UK horticulture and potatoes industries and scientific communities
- Realising the impact of research and bridging the gaps across the supply chain
- Offering opportunities for developing sustainable collaborative partnerships between different research communities and industry

The Centre for Ecology & Hydrology (CEH) delivers world-class integrated research covering terrestrial and freshwater ecosystems and their interaction with the atmosphere.

Supported by:

## A Free One Day Workshop

Research scientists, growers, advisors, business/innovation managers and knowledge exchange specialists are invited to attend.

### PROGRAMME

- 9:30 Arrive/Tea/coffees
- 10:00 Welcome and introduction to the event
- 10:10 **Professor Richard Pywell** – Science Area Lead, CEH. Sustainable Land Management Science at the Centre for Ecology & Hydrology - Research capabilities and successes
- 10:50 **Dr Ed Moorhouse** – Agri-food Solutions Ltd.  
An overview of the horticulture sector; commercial challenges, research gaps and opportunities for innovation
- 11:30 An update on current funding opportunities
- 12:00 Lunch
- 13:00 Interactive breakout sessions: discuss key issues and transferable science
- 15:00 Summary of the breakout sessions
- 16:00 Summing up and departure

A report of the findings from the afternoon session will be made available to the Research Councils

**Booking is essential as there are limited spaces available for this event.**

### REGISTRATION FORM

#### Cross Disciplinary Science Exchange Meeting:

Horticultural Science and the Centre for Ecology & Hydrology • 22 March 2017

To register please complete and email to Dr Chantelle Jay: [chantelle.jay@emr.ac.uk](mailto:chantelle.jay@emr.ac.uk)

Participant: .....

Name (as it will appear on your attendee badge): .....

Affiliation: .....

Contact phone number: .....

Email: .....

Please select two of the following areas that you would prefer to discuss in the interactive workshop:

- Ozone and air quality  Soils  Water resources
- Insect interactions/ecology/control

Interactions between agriculture and biodiversity  Developing partnerships

Contact Dr Chantelle Jay, NERC KE Horticulture Fellow for more information
